Godrej Infotech Conducts CSR Activity at Don Bosco, Kolkata by Imparting Hardware & Networking Training Program

CSR has always been an integral part of the work culture at Godrej. This year, as part of the CSR initiative, Godrej Infotech decided to sponsor the training of deserving students for the Hardware & Networking Training Program of 6 months conducted by the Don Bosco Industrial Training Institute in Kolkata.

During the convocation ceremony on March 16th, 2021 the students performed a special music program. The students were felicitated and awarded with certificates for successful course completion.

Similarly, Godrej Infotech is also sponsoring a 1-year program for Computer Operations and Programming in Don Bosco Institute, Delhi & has recently finished with the Hardware & Networking Program at Mumbai.
