Godrej Infotech is a Solution & Product showcase partner at NASTech 2020

Join us at NASSCOM's NASTech 2020, a virtual event for industry leaders across multiple technology sectors to come together to share their vision for India's digital journey. There will be conversations with industry influencers, thought leadership sessions, networking opportunities, showcasing of solutions and a chance to partner with emerging startups.

We will be showcasing our solutions in the areas of ERP & CRM (on-premise and cloud), digital, in-house applications and open source technologies along with our service offerings of business consulting, implementation & global rollout, application and infrastructure management, migration & upgrade, infrastructure as a service, legacy modernization, dev-ops & mobile app development.

Godrej Infotech Limited (GITL), part of the $4.1 Bn. Godrej group is one of the leading IT service providers specializing in Application, Digital & Infrastructure solution services. We have strategic partnership with industry leaders like Microsoft, Infor, LS Retail, & Oracle, we have played an instrumental role in creating value to our global Customer. Our key differentiators are 1) domain experience in Manufacturing (discrete & process), Retail (trading, distribution, logistics, hospitality, etc), Project (EPC, Shipbuilding, Construction etc), & Service industries. An ISO 9001:2015 & SEI: CMM Level 4 certified company, we have embarked in the journey of Business Excellence with EFQM. GITL is headquartered in Mumbai, India having presence in Middle East, APAC, Europe and USA with customer footprints extending across multiple geographies.

Our team will be available at the event to respond to any enquiries from organizations looking for IT consultancy, solutions and services. To know more, do get it touch with us at infotech@godrej.com.
