About Ui Path

UiPath is the World's Leading RPA Software Company, with a strong belief in the transformative power of automation to liberate the boundless potential of people. It is the world's first platform for hyper-automation and has been ranked as No. 1 in several major independent user review sites for RPA. It is also featured in CNBC's 2020 edition of Disruptor 50 and is the only RPA provider named in Forbes AI 50 in 2020. With a clear focus on rewriting the story of work, UiPath today is recognized as a 'Leader' by many industry analysts and independent review sites such as Forrester, G2 Crowd, TrustRadius, Capterra, and ITCentralStation.
